EXPERIENCE

Associate Project Manager

William Vitacco Associates New York, New York
December 2019 - November 2020

- Managed 100+ active permits and other filings for one of the world's largest real estate developers by coordinating with clients and stakeholders, and used a strong attention to detail to ensure accurate and timely completion of project deliverables.
- Prioritized and delegated tasks while using proactive time management strategies to meet client deadlines and deliver permits on schedule.
- Responded to unforeseen circumstances with out-of-the-box solutions to creatively respond to crises, revise project strategies, build consensus amongst team members, and ultimately minimize construction delays.

Housing Project Manager

HANAC, Inc. Astoria, New York
October 2018 - October 2019

- Oversaw development of 3 affordable housing buildings simultaneously by using strong communication and teamwork skills to lead project teams and ensure tasks were completed accurately, on time, and within budget.
- Worked independently to successfully identify and initiate new development opportunities by conducting outreach, preparing RFPs and grant proposals, and presenting to potential new partners.
- Generated media attention and increased public awareness by writing press releases, designing marketing materials, and planning publicity events in order to publicize project milestones and housing opportunities.
